Re: Recent Move

Dear Mr. Dery:

I recently contracted with your company to move into a townhouse in Newton, New Jersey. Three men were assigned to the job: Richard Monasterio, Luis Berrios and Craig Betso. The day was insufferably hot, around 95 degrees.

Despite the heat and the amount of furniture, your men moved with speed and care. Not a single item was damaged; they were very meticulous and careful with my furniture. I know how hard it is because I worked for Mayflower Van Lines as a young man. The men maintained a cheerful but businesslike attitude throughout the very long day. They are to be commended for their work.

I would not hesitate to use your company again, and would recommend you to my family and friends.

Very truly yours,
